## 3. FX Contract Procedures

3.1 **Execution of FX Contract; FX Contract Date.** You may request to enter into a FX Contract by telephoning, emailing, or using other Volopa approved electronic communication systems. If so requested, we may provide a price in respect of a FX Contract. Prices may vary depending on the communication systems over which the FX Contract is requested (e.g. whether by telephone or email or through our electronic channels). For both Spot and Forward Contracts, you acknowledge that any price provided is **indicative only** and is subject to change prior to your acceptance of such price. Your acceptance of any price offered by us to you in relation to the sale or purchase of foreign currency constitutes your irrevocable execution of a FX Contract, subject to the terms of these Terms which shall apply to any executed FX Contract.

### 3.2 Delivery of FX Confirmations

(a) In respect of both Spot and Forward Contracts, upon execution of a FX Contract in accordance with clause 3.1 above, we shall promptly send you a FX Confirmation in accordance with this clause 3.2. A FX Confirmation shall be sent by email or such other electronic communication system as we specify from time to time. Any failure to deliver a FX Confirmation shall not be construed as a cancellation, voiding or vitiation of the FX Contract or constitute evidence that the FX Contract was not executed. In such circumstances, the records of Volopa with respect to that FX Contract will constitute conclusive evidence of the terms of the FX Contract. Please email us [customersupport@volopa.com](mailto:customersupport@volopa.com) if you have not received a FX Confirmation within one (1) Business Day of the relevant FX Contract Date.

3.3 **Acceptance of FX Confirmations.** In respect of both Spot and Forward Contracts:

(a) unless you object to the terms contained in a FX Confirmation immediately after your receipt of the confirmation and by no later than one (1) Business Day of receipt, the terms contained in that FX Confirmation shall be deemed correct and accepted by you;

(b) you shall notify us of any objections to or errors in any FX Confirmation by calling our recorded telephone number 020 4600 0469 or emailing us at [customersupport@volopa.com](mailto:customersupport@volopa.com) immediately after your receipt of the FX Confirmation and, in any event, by no later than one (1) Business Day of receipt.

3.4 **Disputes.** If a dispute arises between you and us relating to the existence or terms of any FX Contract (a "**Disputed FX Contract**"), we may at our sole discretion close out the Disputed FX Contract pending settlement of the dispute. We will notify you (orally or in writing) of such action as soon as practical but if we do not the validity of any action by us shall not be affected.

3.5 **Defaults.** If you become aware of the occurrence of an Event of Default or any circumstances that means that an Event of Default is likely to occur, you must notify us immediately. If an Event of Default takes place, we shall, at our discretion, be entitled to close out any outstanding FX Contracts and charge you all of the costs, expenses and losses that we may incur (including any action we may take to cover or reduce our exposure). Any Margin held by us in respect of FX Contracts shall be returned to you after deducting all other sums due to us (including any fees or losses resulting from closing out such FX Contracts).

## 4. Settlement; Payments; Trading; Losses

### 4.1 Delivery of funds under a FX Contract or Payment Contract

(a) In relation to the performance of any FX Contract or **Payment Contract**:

(i) you shall promptly deliver the Client Currency Amount to our specified account; and

(ii) by no later than the Settlement Date specified for that FX Contract or Payment Contract.

(b) Our delivery of any currency to you under this clause 4.1 in respect of any FX Contract remains subject at all times to clause 2.6 (*No Commitment*) above.

### 4.2 Settlement of funds under a FX Contract

We will notify you from time to time (which may be by way of the relevant FX Confirmation) with details of the Volopa account into which you shall

credit funds (including any Customer Currency Amount) necessary to settle FX trades under any FX Contract on the relevant Settlement Date, in accordance with the terms of such FX Contract.

#### 4.3 Right of Set-off and Netting

Notwithstanding anything to the contrary in this clause 4. :

(a) subject to Volopa's consent, any obligation of one Party to deliver currency (or otherwise make a payment in a given amount in connection with the settlement of one or more FX Contracts with the same Settlement Date) may be fully or partially satisfied and discharged by setting off such amount from an obligation of the other Party to deliver the same currency (or otherwise make payments in such currency in connection with the settlement of one or more separate FX Contracts between the Parties);

(b) where any amount is payable by Volopa to you in respect of any FX Contract or Payment Contact:

(i) Volopa may reduce such amount by set-off against any other amounts (including any amounts held as Margin) ("**Other Amounts**") payable by you to Volopa, whether or not arising under that FX Contract or any other FX Contract or that Payment Contract or any other Payment Contract, any obligation, matured or contingent and irrespective of the currency, place of payment or place of booking of the obligation or whether or not an Event of Default has occurred or is continuing. Volopa will give you notice of any set-off effected under this clause 4.3; and

(ii) for this purpose, the Other Amounts (or the relevant portion of such Other Amounts) may be converted by Volopa into the currency in which the other is denominated at the rate of exchange at which Volopa would be able, in good faith and using commercially reasonable procedures, to purchase the relevant amount of such currency. If an obligation is unascertained, Volopa may in good faith estimate that obligation and set off in respect of the estimate, subject to Volopa accounting to you should the obligation be ascertained.

**4.4 Settlement Failures and Breach.** Your failure to transfer, for any reason, the agreed Client Currency Amount or any other amount payable by you to us, on or prior to the date or time required in this clause 4. shall constitute a breach of these Terms. If you breach these Terms, we are not obliged to deliver the currency, which you have contracted to receive, and we may cover our exposure for the FX Contract by purchasing or selling currency in any relevant market, as we deem appropriate. You shall be liable for all losses, damages, costs, and expenses, including those arising under clause 3.5 (collectively, "**Losses**") incurred by us from your failure to satisfy your obligations under these Terms. We shall not be liable to you for any gain in value of a FX Contract we may obtain in covering our exposure caused by your breach.

**4.5 Reimbursement of Losses; Interest.** You shall be liable for all Losses incurred by us and shall pay us, on demand, the amount of the Losses. If we cannot reach you by telephone, we may, but are not required to, notify you by mail or email. From the date we incur any Losses, you are liable for interest on the amount of the Losses at a rate per annum equal to the aggregate of the applicable Base Rate plus five percent per annum, computed on a 365-day year (or, in any case where the practice in the relevant market differs, computed in accordance with that market practice) for the actual number of days elapsed, plus any processing fees. If you do not immediately reimburse us for the Losses, we may apply any Margin, collateral or reserve as security for Losses and accrued interest, if any, in any order, combination, or manner as we deem appropriate. Nothing in these Terms shall limit our rights to collect or recover the Losses from you, including the exercise of our rights under law, right to set off or resort to any other collateral granted to us for any of your other indebtedness.

## 5. Client Representations and Acknowledgement

(f) no Event of Default with respect to you has occurred and is continuing, and no such event or circumstance will occur as a result of entering into or performing obligations under these Terms;

(g) any information given to us by you or on your behalf is complete, accurate and not misleading in any respect;

(h) any third party appointed by you to give and receive instructions, notices or other communications on your behalf under these Terms has all requisite power and authority to give and receive such instructions, notices or other communications;

(i) upon request from us, you will provide us with such information as is necessary for us to perform our obligations under applicable law;

(j) no FX Contract shall be for speculating in the value of any foreign currency;

(k) all Forward Contracts shall be entered into for one of the following purposes: (i) to facilitate payment for identifiable goods or services that you have already purchased or intend to purchase or (ii) to make a direct investment or (iii) to achieve certainty about the level of payments that you are going to receive for specific goods or services that you are selling (together "**Commercial Purposes**"). You shall provide such further information as we may request to evidence that this is the case;

(l) you have procedures in place to ensure that any Forward Contract is to be entered into only for Commercial Purposes. Where any proposed Forward Contract is not for such Commercial Purposes, you will not ask us to enter into that Forward Contract;

(m) you are entering into these Terms (including any transaction under them) as principal and not as agent of any person or entity;

(o) there are no legal or regulatory constraints preventing you from performing your obligations under these Terms;

(p) you, and any third party beneficiary to which a Payment is to be made, are not subject to or located in an area that is subject to Sanctions Laws; and

(q) you will not allow access to the services under these Terms to any person who (i) is a national of or member of a group, or is located in a country, that is subject to the Sanctions Laws, or (ii) is subject to the Sanctions Laws.

(r) funds received into a Collections account may be used to complete a trade or fund the Wallet. If funds are not moved or instructed to be moved from a Collections account within a reasonable timeframe, we reserve the right to transfer those funds to the nominated refund account that you have setup on the platform. Our prevailing exchange

rate and associated charges will be used at the time of the transfer.

## 5.2 Disclosure; Limitation of Liability.

- (a) You understand and acknowledge that:
- (i) foreign exchange transactions can be highly risky;
  - (ii) losses may occur in short periods of time if there is an adverse movement of exchange rates; and
  - (iii) exchange rates can be highly volatile and are impacted by numerous economic, political, and social factors, as well a supply and demand and governmental intervention, control and adjustments.
- (b) We provide an “execution only” service for foreign exchange transactions. You agree that:
- (i) in making your decision to enter or not enter into any foreign exchange transactions, you shall not seek any advice or personal recommendations from us;
  - (ii) you are responsible for all decisions made about your foreign exchange transactions, and our employees are not authorised to suggest any specific trades to you;
  - (iii) any opinions expressed by any of our employees are personal opinions only and may not be relied on by you in making any trading decisions; and
  - (iv) we have no liability for any punitive, exemplary, special, or consequential damages arising from any transaction entered or not entered into.

## 6. Margin in connection with FX Contracts

**6.1 Margin Requirement.** We may, in our sole discretion, make a Margin Call requiring you to provide Margin in relation to any FX Contract on demand and, in any event, within one (1) Business Day of such Margin Call. We reserve the right to increase the Margin required from you at any time to allow for changes in (i) foreign exchange rates or currency volatility or (ii) due to an adverse change in your financial standing or credit worthiness, in each case, which we believe (in our sole discretion) may increase our risk under any FX Contract. We may make additional Margin Calls at any time requiring you to increase the Margin held by us. Any Margin Call will be for such sum as we consider necessary and appropriate. Any amount of Margin held by us may be applied against all and any FX Contracts in or towards satisfaction of all or any of your total obligations owed to us. We reserve the right to close out all and any FX Contracts where a payment of Margin or Margin Call is not met by the time specified.

**6.2 Ownership and Title.** Full ownership and title to all funds sent to us as Margin shall transfer to us absolutely and you shall have no interest in such funds which we will be entitled to deal with in our own right as our own funds. For the avoidance of doubt, this means that we have the right to pledge or grant a security interest over it, or transfer or deposit it to or with an exchange or clearing house, a broker, a bank or any other financial institution or payment service provider. Any Margin you provide will not be “Relevant Funds” under the Regulations and so will not need to be segregated from any other funds we hold. Margin will not benefit from any protections under the FCA Rules. You shall not be entitled at any time to the return of any Margin without our prior written consent.

## 7. Payment Contracts

**7.1 Sending Payments.** We will send Payments in accordance with your or your Authorised Persons' instructions to third party beneficiaries or another account held in your name that you specify to us in accordance with your Payment Instructions. When making Payments to yourself and not to a third-party beneficiary, we will only make a Payment to a bank account where you are the named holder of such bank account.

**7.2** All Payment Instructions must be made in a form of communication acceptable to Volopa, including the Volopa online platform, email or

telephone.

**7.3** It is your responsibility to ensure that accurate, complete and correct payment details for the beneficiary of a Payment (including payments to yourself) are provided to us. This includes, but is not limited to, providing us with correct details for the beneficiary to which you would like the Payment sent. If you provide incorrect beneficiary details we will not be liable for any loss you incur, although we will use reasonable efforts to assist you in the recovery of your Payment. We reserve the right to charge you a fee to cover our reasonable costs for doing this.

**7.4** It is your responsibility to ensure that the Client Currency Amounts you pay to us are sufficient to make each and every Payment which you authorise us to make. We will not make any Payment Contract unless you have paid to us sufficient Client Currency Amounts first by the due date and time that we specify.

**7.5** You are required to provide us with any additional information that we request with regard to a Payment Contract within two (2) Business Days of our request.

**7.6** You consent to us including your full name, address and account number (and any other details as are required to enable us to comply with our anti money laundering procedures) on the Payment Contract details to be sent to the beneficiary's bank or payment service provider to comply with anti-money laundering regulations.

**7.7** You, or an Authorised Person, may revoke or cancel a Payment Instruction for a future outgoing Payment no later than the Business Day prior to the execution of the Payment by providing us with clear instructions in writing. Where your instructions relating to the revocation or cancellation are unclear, we will not treat your Payment Instruction as being withdrawn and will proceed with the Payment.

**7.8** You, or an Authorised Person, are responsible for confirming that a Payment Instruction has been received and processed by us. We are not liable for any loss in circumstances where erroneous duplicate Payment Instructions are sent to us by you or an Authorised Person.

**7.9** If we receive a Payment Instruction by the respective cutoff time as found on our website, your Payment Instruction will be deemed to have been received by us on that Business Day. If your Payment Instruction is received after the respective cutoff or on a day that is not a Business Day, your Payment Instruction will be deemed to have been received on the next Business Day. Your Payment Instruction will be acted on the earliest possible payment date unless you have requested a specific future date.

**7.10** You must notify us by telephone or in writing as soon as is reasonably practicable after you become aware of any unauthorised or incorrectly executed Payment, otherwise we may not be liable to you and in order to claim a refund for an unauthorised or incorrectly executed Payment. You must notify us without delay after becoming aware of the unauthorised or incorrect Payment and in any event no later than thirteen (13) months after the debit date of the Payment.

**7.11** We may deduct from any Payment such amounts as may be required by law or as may be charged by us in respect of transfer or other charges owed to us.

**7.12** International money transfers often require funds to be transmitted between multiple intermediaries beyond our own direct payment service providers. These intermediaries or the beneficiary bank may deduct a charge. You acknowledge that these charges cannot always be calculated in advance and that you agree to be responsible for such charges. We will not be liable for losses that result from such charges being applied to your payment.

**7.13** Subject to the Regulations, we may refuse your Payment Instruction because for example you are in material breach of these Terms or we reasonably believe the payment to be unlawful. In these circumstances, we shall promptly notify you using your supplied contact details, stating wherever possible the reasons for our refusal, and the procedure for rectifying any payment detail errors that led to the refusal, but we reserve the right to charge you a fee to cover our reasonable costs for doing this. We are not obliged to notify you of our refusal to execute the proposed Payment Contract where we reasonably believe that such a notification would be unlawful.

**7.14 Prohibited Payment Contracts.** We reserve the right, in our reasonable

discretion to impose 'acceptable use' terms in relation to the provision of any payment service including the prohibition of certain categories of Payment Contracts, for example, Payment Contracts in relation to gaming or virtual currencies sectors, by specifying these on our website.

7.15 If you conduct or attempt to make any Payment Contract in violation of the prohibitions contained in this section, we reserve the right to reverse the Payment Contract or report the Payment Contract to the relevant law enforcement agency or claim damages from you.

7.16 **Safeguarding.** Funds received in connection with Payment Contracts will be subject to the safeguarding requirements as set out in the Regulations and are referred to as "**Relevant Funds**".

7.17 For the purposes of this section, "**Relevant Funds**" means any sums received from you or for your benefit. Relevant Funds are held in segregated bank accounts which are independent of our business bank accounts. Relevant Funds may also be covered by an insurance policy with an authorised insurer. The purpose for so holding or insuring funds is to ensure that in the event of our insolvency, or if a financial claim is made against us, no creditor or claimant should be able to claim funds held in these accounts or covered by this insurance policy. This is because no other person or institution may have any rights or interest over the funds held in these accounts or covered by this insurance policy such as a lien over funds in these accounts. Relevant Funds are not covered under the Financial Services Compensation Scheme.

7.18 For the avoidance of doubt, when you transfer funds to us to pay a deposit in respect of a Forward Contract, full ownership and title to these funds transfer to us in accordance with clause 6.2. Such funds will not be Relevant Funds and so they will be placed into our business bank account and will not be afforded protection under the segregation rules of the Regulations.

7.19 When you transfer funds to us to pay Margin or Margin call(s) full ownership and title to these funds transfer to us absolutely and such funds are considered as our funds. They will not be Relevant Funds and so they will be placed into our business bank account and will not be afforded protection under the segregation rules of the Regulations.

7.20 Pursuant to the Regulations, we will not pay interest on funds paid to us including balances held in segregated or client bank accounts and we may retain, for our own benefit, any interest which accrues from funds held in any accounts.

7.21 **Unauthorised or Incorrectly Executed Payment.** Under the Regulations you may be entitled to redress for any unauthorised or incorrectly executed Payment. In the case of a Payment not authorised by you or an Authorised Person, we will refund the amount of the unauthorised Payment to you, and where applicable, restore the debited payment account to the state it would have been in had the unauthorised Payment not taken place. If we fail to execute, or incorrectly execute, a Payment, unless we can establish that the beneficiary's payment service provider received the amount of the Payment, we will refund to you the amount of the non-executed or defective Payment promptly after becoming aware of the error, and, where applicable, restore the debited payment account to the state in which it would have been had the defective Payment not taken place. We will also refund to you any direct charges for which you are responsible and any interest which you must pay as a consequence of the non-execution or defective execution of the Payment. Beyond this, we have no further liability to you for any unauthorised or incorrectly executed Payment.

7.22 **Incorrect Information or Payee/Beneficiary Bank Failure.** We will not be liable to you for the non-execution of a Payment Contract or for the defective execution of a Payment Contract if the information you provide is incorrect. We will not be liable for errors, mistakes, or non-performance arising from the payee/beneficiary bank if the payee/beneficiary bank fails to process the Payment correctly. In either case, we will make reasonable efforts to recover the funds involved in the Payment Contract. You, or your Business Introducer, if applicable, will be responsible for the costs incurred by us for any such recovery.

7.23 **Our Negligence.** If a loss in relation to any Payment Contract is incurred due to our negligence or breach of contract, we will promptly

attempt to correct the error. We will be liable for any direct losses such as

bank fees and interest incurred as a result of our negligence or breach of contract up to an amount equal to the amount of fees paid or payable to us under these Terms. In no circumstances will we be liable for any indirect, unforeseeable or incidental losses incurred, such as loss of opportunity.

**7.24 Defaults.** If you become aware of the occurrence of an Event of Default or any circumstances that means that an Event of Default is likely to occur, you must notify us immediately. If an Event of Default takes place, we shall, at our discretion, be entitled to close out any outstanding Payment Contracts and charge you all of the costs, expenses and losses that we may incur. Any sums held by us in respect of Payment Contracts shall be returned to you after deducting all other sums due to us.

**7.25 Regulations:** None of the provisions of Part 6 or Part 7 of the Regulations will apply to these Terms.

## 8. Confidentiality

**8.1** As used herein, “**Confidential Information**” means all information that is not generally known to the public and is the subject of reasonable efforts to maintain its confidentiality by the disclosing Party and includes, without limitation, information in respect of a FX Contract and FX Confirmation under these Terms. Confidential Information includes confidential information of any third party used by us and confidential information of our licensors.
